We have enjoyed a great relationship with your Organization through "The Great Tricycle Race" and would like to reiterate our appreciation for your commitment to our Community.

Over the last number of years during "The Great Tricycle Race" we have had great success in providing the "Food Banks" of Haldimand County with thousands of pounds of food. In doing so we have begun to understand the incredible need in this area.

We are also aware of this region's great generosity toward the "Food Banks" during the Christmas Season in collecting food and toys which all are thankful for. Unfortunately the supply runs out in January and February when the extra expenses of the winter take their toll. As this need continues to rise we are hoping you can partner with us to fulfill this continuing need.

We have decided to invite our partners from the "Tricycle Race" to join with our staff in a "Food Drive" to take place February 5, 2010.

If your Organization would like to be involved, we are asking that your members get pledges from people (see enclosed pledge form) to commit to bringing a bag of non-perishable food items to our new facility and enjoy a bowl of soup and a piece of bread. The food is being generously supplied by a variety of local restaurants. The cost for each meal will be just \$1.00.

Could you please return the enclosed "Response Sheet" to us by January 15th in order for the restaurants to know approximately how much food to supply.

We are looking at the principle of multiplication – if 10 of your members each sign up 10 people and each Organization does a similar thing we would quickly be able to answer the ever growing demand for the needy families in our Community.

We sincerely hope that we can count on your support in this endeavor.

Sincerely,

John Edelman
President
