In his spirit, we would like to recognize the dedication of our volunteers, for without them we would not be able to run this organization. The recipient can be a past or present CDMHA volunteer and should be someone who personifies what being a volunteer is all about. Their selfless commitment to our kids, minor hockey and our community as a whole serves as an inspiration to others. Examples could include a board member, coach, referee or any other CDMHA volunteer who contributed significantly over the years.
